

REMARKS

In the Office Action, the Patent Office has alleged the following distinct species:

- I. Method of making a device on a zirconia substrate;
- II. Method of making a device on a zinc oxide substrate.

In response, Applicants elect without traverse the species directed to a method of making a device on a zinc oxide substrate. Pending claims 28-30 are believed to be readable on this elected species. Accordingly, Applicants request examination of the elected subject matter in due course. Applicants reserve the right to pursue divisional application(s) directed to any non-elected subject matter.

The Commissioner is hereby authorized to charge deposit account 02-1818 for any fees which are due and owing.

Respectfully submitted,
